

Bridge Clinic Information for Referring Physicians

May 2025

Who can you refer:

Patients 17+ who do not have a primary practitioner in the community and require follow-up from the ED or Acute care

Referrals are accepted from provider to provider via CPAS and/or physicians

What Service does the Bridge Clinic Provide:

A collaborative, patient-centered temporary medical home that delivers high-quality, comprehensive healthcare services through a multidisciplinary team approach, ensuring the well-being and satisfaction of our patients and their families.

Where: during phase one services are offered in evening satellite clinics with limited daytime appointments until the Wall St location is open in late June

How to refer:

E fax the Bridge Clinic referral form to 1-888-675-9852

Questions about your Referral call the Bridge Clinical Coordinator at 655-4287

When: referrals will be accepted starting in May. A referral form will be distributed at that time
